Book Details:

Review: Some very good parts in the book that gave more information than I was familiar with so I generally enjoyed the book. But I liked his earlier one, The Frontiersman, much more. Too many short and long letters from characters in it and I thought the beginning 1/4 of the book dragged some. If you read this book, and I dont discourage that, I would...

Description: For over two hundred years no Indian force in America was so powerful and feared as the Iroquois League. Throughout two thirds of this continent, the cry of The Iroquois are coming! was enough to demoralize entire tribes. But these Iroquois occupied and controlled a vast wilderness empire which beckoned like a precious gem to foreign powers. France...
